SPENT CARBON IDENTIFICATION SHEET (TAKEBACK)

Customer: _____ Site: _____
 Address: _____ City, State: _____

Send Labels To: _____

Contact: _____
 Phone: _____

"Bill To" is to Customer Unless Otherwise Indicated

- Carbon Used For: _____ Remediation of Petroleum UST Site
 _____ Pollution control activities
 _____ Other-(Describe) _____
- Carbon Type: _____ Liquid _____ Vapor [Submit Liquid and Vapor on Separate Forms]
- Liquid Vessels: Canisters (Qty): _____ L-1 (Metal) _____ L-14P (Plastic)
 Adsorbers (Qty): _____ L-4 _____ L-5
 Fiberglass Vessels (Qty): _____ HP-90 _____ HP-200 _____ HP-1000 _____ -1700
 Other (Qty): _____ Describe Size and Mfg: _____
- Vapor Vessels: Metal Canisters (Qty): _____ G-1 _____ G-2 _____ G-3 _____ G-10 _____ G-11
 Plastic Canisters (Qty): _____ G-1P _____ G-2P _____ G-3P
 Adsorbers (Qty): _____ G-4 _____ G-5 _____ G-6 _____ G-7 _____ G-8
 Other (Qty): _____ Describe Size and Mfg: _____
- Does the Carbon Contain Any: _____ Sand, Gravel or Silicon _____ Impregnated Chemicals
- Order Type: _____ Purchased Equipment _____ Rental Equipment

SPENT CARBON COMPOSITION

<u>CONSTITUENT</u>	<u>% By Weight</u>	<u>Does the Spent Carbon Contain:</u>	
Activated Carbon	_____	A. Polychlorinated	YES _____ NO _____
Water	_____	Biphenyls (PCB's)	_____
Contaminants (List):	_____	B. Dioxins	_____
_____	_____	C. 1,2-Dibromo-3-	_____
_____	_____	Chloropropane	_____
_____	_____	D. Halogenated Compounds	_____
_____	_____	E. Sulfur Compounds	_____
Mixture:	100 %	F. Heavy Metals	_____

- Is the Spent Carbon a listed or characteristically hazardous waste in accordance with 40 CFR 261 "Identification and Listing of Hazardous Waste?*" Yes _____ No _____
- Is the spent carbon contaminated with a listed hazardous waste? Yes _____ No _____
- Is the spent carbon a characteristically hazardous waste? Yes _____ No _____
 - Toxicity characteristic (TCLP)? Yes _____ No _____
 - Reactive? Yes _____ No _____
 - Corrosive? Yes _____ No _____
 - Ignitable? Yes _____ No _____

If the spent activated carbon has been tested to determine hazardous constituents or physical properties, attach the analytical results.

* For details of 40 CFR 261, on internet see "es.epa.gov", "EPA", "Laws&Regulations", "Code of Federal Regulations" or contact your State EPA office.

ACCURACY AND CHARACTERIZATION CERTIFICATION

I hereby certify that the information set forth in this "Spent Carbon Identification Sheet", including any information in attachments hereto or incorporated by reference herein, is true, correct and complete to the best of my knowledge, information and belief at that the information accurately describes the spent carbon material identified herein.

 Signature _____ Title _____

 Name (Please Print) _____ Date _____

FOR CARBTROL USE ONLY: Approved: _____ Date: _____ SCID Takeback - 1/14/02
